A WORD FROM ISAA

Hi everyone,

The need for a concise booklet that provided students with information about the rules and policies of IIT Bombay in a reader-friendly format had always been there. The Undergraduate Academic Council has undertaken this task through various means in previous years - the Sophomore Booklet, the Course Info Booklet, the Support Booklet, and UG Acads Wiki, to name a few.

The UG Info Booklet is an effort to centralize the information regarding various academic formalities and facilities present in the institute about which the students might not be aware. This booklet will serve as a one-stop guide for matters ranging from paying your fees to making a swimming card!

As a student of this institute, it is highly recommended that you go through this booklet to be well versed with the various rules and facilities present in the institute and we'll be delighted to give our little contribution to make your stay in the institute comfortable and amazing!

Lastly, we've put our best efforts in compiling this booklet and presenting the information to you. Even then, some inadvertent errors might have crept in, and we would be glad to be informed about the same.

Prapti Sao

Institute Secretary of Academic Affairs (UG) and Head, SSS
2022-2023

DISCLAIMER

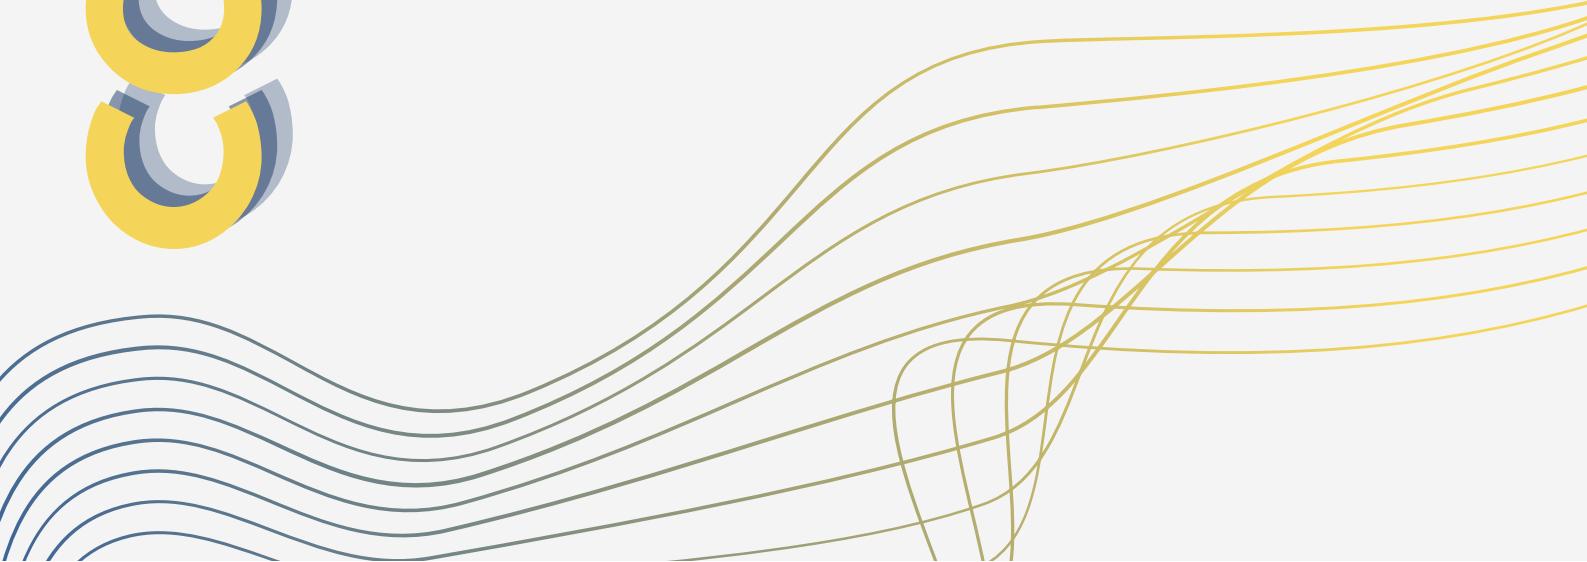

The information written in the booklet is meant to be a guideline for all the students of the institute. It may happen that the information or rules mentioned in the booklet may face an amendment or change at any time. Please confirm the rules/details from competent authorities before making any decisions.

Student Guidelines

To make the best of your
Academic tenure

STUDENT GUIDELINES

1.1. REGISTRATION AND PRE-REGISTRATION

IIT Bombay follows a specialized credit-based semester system, therefore registration at the beginning of each semester is mandatory for you till you complete your program (lookout for the dates in the Academic Calendar)

You can register for the courses you intend to take during a given semester on the basis of the program for your discipline as given in your curriculum and as per the advice given by your Faculty Advisor (Fac-Ad). You can check a particular semester's curriculum on ASC. Follow the path: Academic --> All about courses --> Curriculum. From the third semester onwards, registration is dependent on the Academic Standing of the student.

You can find a detailed guide on ASC and the registration process in the ASC Video Series.

1.2. DROPPING OF COURSES

If a student finds their academic load too heavy, even after the date for course adjustment has passed, they may drop some courses out of the registered ones provided the minimum credit limit (18 credits) hold, after taking permission from the Fac-Ad. The last date for doing so is generally 20-30 days after the end of the mid-semester examination and is set in the academic calendar. Such dropping of courses results in a W grade in the transcript for that particular course.

1.2. HOW TO MAIL PROFESSORS

Once you are registered on IIT Bombay WebMail, you can search for any Professor's name on the WebMail email ID bar, and his email ID will appear. You can then mail him on WebMail.

1.4. COURSE FEEDBACK

There is a feedback portal in external ASC in which you can fill your feedback about the way the course is being taught and how the Professor is teaching it. This portal usually opens after the Midsem and Endsem examinations. Course Feedback is strictly anonymous and is taken seriously by the Professors. There are many instances of changes happening to course structures due to the Feedback received.

STUDENT GUIDELINES

1.5. HOW TO GET A DEPARTMENT CHANGE

After the end of the second semester, students will get the opportunity to change their branch which will in particular be dependent upon the CPI of the student. The chosen branches will be allotted on a higher priority to the student with a higher CPI. Students get this opportunity after the second semester and the CPI till this semester will only be considered for branch change.

1.6. APPLYING FOR MINORS

A Minor is an additional credential a student will earn if they do minimum 30 credits worth of additional learning in a discipline other than their major discipline. Many academic units in the Institute offer minors in their disciplines and prescribe a specific set of courses and/ or other activities like projects for earning a minor in that discipline.

1.7. APPLYING FOR HONORS

Honor is an additional credential a student will earn if they opt for the extra 24 credits (in some cases, 30) needed for this in their own discipline. The concerned department specifies the course requirements for earning the honors. An honor is like a specialization in your own discipline.

1.8. GRAMMARLY PREMIUM ACCOUNT

An initiative that the library started this year was to provide premium Grammarly access to students with an unlimited number of subscriptions, to meet with its increasing demand. A student can start his own Grammarly account by using his LDAP email ID and password!

1.9. HOW TO APPLY FOR IDDDP

The Interdisciplinary Dual Degree Program, as the name itself implies, is a program that combines your interests in different fields. By allowing a student to continue with a dual degree in another department of his choice provides us with an opportunity to study in a field we are truly interested in after years of deliberation. It combines interests that encourages discoveries and connections rarely possible in the narrower confines of a single-subject major and is fast catching up. The idea of IDDDP is to provide a unique opportunity to the highly motivated students to learn in their field of interest and create a platform for their future pursuits.

STUDENT GUIDELINES

1.10. HOW TO FAST-TRACK

If you're reading this term for the first time, you're not alone. Fast-tracking is something that will matter towards the end of your third year. It means to complete your coursework earlier than the designated number of semesters, if you wish to utilize the last semester(s) for other activities like internships, competitive exam preparation and entrepreneurial ventures. In this case, the student can get a provisional degree and leave the Institute earlier, although the final degree will be awarded at the formal Convocation itself. It is worth noting that the accumulation of credits for fast-tracking of your degree starts only from the beginning of your sophomore year, and that students who opt for fast-tracking are also allowed to sit for placements in winter.

Once you fast-track, you essentially have four full months at your disposal. Be it upskilling, travelling, spending time with family, starting your own company, interning or even working under a professor; you'll have full authority over your schedule. Just make the most out of those four months; good planning is the key to make the most of fast track.

1.11. STUFF TO BE TAKEN CARE OF DURING GRADUATION

You need to get your no dues certificate before graduating. A new tab will open up in external ASC listing all your dues. All of them will be yellow initially (dues not yet checked). They become green eventually automatically (no dues) but not all become green at the same time. If any become red, dues are pending. You will also get a mail specifying which dues are pending. If any dues are pending, you cannot get your degree until you clear those dues.

If anything is red, you'll have to go to the corresponding office and enquire about the procedure to pay the dues. Usually only cheque or net banking are accepted.

Even after payment, you will usually have to visit the office a few times to get dues cleared.

1.12. HOW TO GET A TRANSCRIPT

Go to the Academic Section of the Main Building, and ask them for the transcript. They will ask you to fill a form, and then tell you to go to the Cash Section and pay Rs 150/- (if you have not yet graduated) or Rs 300/- (if you have graduated).

Note that graduating students are offered one complimentary copy of their transcripts.

STUDENT GUIDELINES

1.13. HOW TO GET A BONAFIDE CERTIFICATE

Like getting a transcript, getting the Bonafide Certificate is also done in the Academic Section of the Main Building. On asking them for the Certificate, they will ask you to fill a form, in which you must note down the reason you want a certificate.

1.14. HOW TO GET AN NOC/ COPY OF YOUR DEGREE

All you need to do is go to the Academic Office and ask! You will be asked to fill out some forms and you'll be done.

Institute Formalities

To make all procedures
seemless

>> INSTITUTE FORMALITIES

2.1. HOW TO GET A TRAVEL GRANT

Let's hypothesize: You are a research scholar, and are presenting your work at a conference in London. And let's all agree; the first question that comes to you mind is ... finances! IIT Bombay has a provision for Research Scholars like you, who will be attending international conferences or symposiums, to avail financial assistance. This grant can be used for conference registration, visa, air-travel, hotel, food, local travel abroad etc. It may be combined with grants from other sources.

On acceptance of abstract, full paper or invitation from the conference organizers, the eligible Research Scholar (check eligibility criteria on the IITB website) may apply for Institute financial support in a format as prescribed by the Institute. They are required to fill the Application Form for Financial Assistance to Student for Attending International Conference/Symposium along with relevant enclosures. This application is to be submitted to the Dean (A.P.) office for further consideration.

Taking the positive road - your application gets accepted! Upon sanction of this grant by the designated committee, the student concerned is additionally required to submit the Form for No Objection Certificate for Visa and Grant of advance for attending International Conference, duly signed by the student and his/her faculty supervisor. This will again be submitted to the Dean (A.P.) for further processing.

2.2. GETTING HOSTEL RESIDENCE PROOF

To get a proof of residence you have to send an email to the respective hostel Hall Manager and mention your details in the email and also the reason why the residence proof is required.

2.3. HOW TO CLAIM MEDICAL EXPENSES

The institute hospital provides all kinds medical facilities but in case of an emergency or in the case of a medical facility not available in the institute one can get the treatment done from hospitals tied up with IITB and get the medical expenses claimed later by meeting the Chief Medical Officer , IITB hospital with valid proofs. This facility covers accidental coverage of Rs 75,000 and non- accidental coverage of Rs 1,50,000 per sem.

>> INSTITUTE FORMALITIES

2.4. HOW TO GET PINK SLIP

The IIT Bombay Hospital provides all sorts of medical facilities to its students. A student in need of medical help can visit the IITB hospital with the medical file provided to him/her. For the consultation with any medical officer, the student needs to self-generate a Treatment slip using the computer present at the reception. If the doctor advises the student for bed rest, he/she can demand a Pink-slip which is a valid proof in case one is unable to attend classes. The student has to show this slip to the respective professor or incharge. But students have to make sure that they don't take undue advantage of this facility because if found defaulting with the protocols strict action might be taken against them.

2.5. SWIMMING CARD PROCEDURE

To avail of the facility of the magnificent Swimming Pool of the Institute, you must first make a Swimming Card(similar to a Mess Card).

Firstly, we need to collect the Application Form from the Office near the Swimming Pool. Fill up the required details. Then you would need to visit the IIT Bombay Hospital to get the form signed by Medical Officer which would certify that you are medically fit for you. The prerequisite for that is a dose of MMR vaccine after the age of 15 years. You would have to Submit that uniform back to the office along with 2 passport-size photos near the Swimming Pool and fill in the details on the Swimming Pool card. You would be allowed to use the Swimming Pool after the card gets signed by the Swimming Pool in-charge which happens by the next day.

2.6. HOW TO PAY FEES

This is something we've all gone through since we started school. Students at IIT Bombay are required to pay Academic, Hostel and Semester Mess Advance (SMA) Fees every Semester throughout their time here. The Academic and Hostel fees is to be paid through the External ASC Portal within a stipulated time. The SMA paid as a direct bank transfer to the account of the Mess Manager of your current Hostel.

>> INSTITUTE FORMALITIES

2.7. HOW TO COLLECT FEE RECEIPT

Okay, one hurdle crossed - now you've paid your fees. But how do you produce proof of payment in case of any unforeseen (and incredibly unlucky) circumstances? Sure, you can take as many screenshots of the payment-success message as you wish; but what if there was a better way?

Presenting the solution - Fee Receipts! (You'll even receive timely mails regarding this) You can collect fee receipts for each fees category (Academic and Hostel) from the Cash Section in the Main Building. Your receipts would be ready in about a week after payment of the respective fees. Visit the Cash Section and present your ID card to the staff attendant present there. Upon processing your details, you will be required to inform them the semester (Autumn/Spring and year) and fee category (Academic/Hostel) whose receipt you require. If the receipt is ready, they will hand it over to you. Else, they may request you to return within 2-3 days to collect it.

2.8. SCHOLARSHIPS

The scholarships awarded by the Institute are:

- Institute Merit-cum-Means Scholarship (MCM)
- Facilities of Free Messing (for students from SC/ ST category)
- Remission of fees
- Women merit scholarship (for eligible women students)

The students whose Gross Income of parents (both father & mother) for the previous financial year is not more than Rs. 5,00,000/- per annum (without any standard deduction) and CPI of 6.00 & above (for second years onwards) can apply for Merit-cum-Means Scholarship. However, for Autumn round of scholarship, CPI of previous Academic year is considered and for Spring round, CPI of Autumn semester of that Academic year is considered. Merit cum Means scholarship is awarded to a maximum of 25% of sanctioned Intake of undergraduate students. For Dual Degree, it is available only up to the 4th year.

UG students whose Gross Income of parents (both father & mother) for the previous financial year is not more than Rs. 5,00,000/- per annum (without any standard deduction) can apply for Remission of fees. Students from PwD/ SC/ST candidates are not required to apply for Remission of fee as they are already in receipt of tuition fee waiver.

The SC/ST category students whose Gross Income of parents (both father & mother) for the previous financial year is not more than Rs. 5,00,000/- per annum (without any standard deduction) can apply for Free Messing.

>> INSTITUTE FORMALITIES

Institute Scholarships are applied for through the Scholarship portal on external ASC. A mail will be circulated when this portal opens. Once the information is updated successfully, the student will receive an auto email with the attachment of Scholarship form and income proof submitted by the student. Student can also download it as a PDF. Applicants are required to download and submit the signed form along with self-attested copy of uploaded income proof to the Academic office.

These scholarship application should be submitted along with either a scanned self-attested copy of Parental Income Certificate for the applicable Financial Year issued by a Competent Authority or a scanned self-attested copy of ITR acknowledgement along with the IT Return of both parents for the applicable financial year.

Generally, scholarship applications are invited twice in a year as detailed below:

- In Autumn Semester: for entire Academic year i.e. Autumn & Spring semesters.
- In Spring Semester: for Spring semester only.

Note that students cannot avail any other scholarship, if in the receipt of Institute Scholarship and cannot apply for an Institute Scholarship if availing a named Scholarship. Students are eligible for only one Institute Scholarship. Student is required to apply fresh for the Institute every Academic year.

Remission of fees will be granted to eligible students of B.Tech, Dual Degee (B.Tech + M.Tech), B.S. and B.Des from 2016 Batch onwards. The students whose Gross Income of parents for the previous Financial year is not more than Rs. 5,00,000/ per annum (without any standard deduction) are eligible to apply for Remission of fees. The economically backward students are eligible for remission of tuition fee as follows.

Those with a parental income less than Rs. 1 Lakh per annum shall get full remission of the tuition fees. Those with a parental income between Rs.1 Lakh and Rs. 5 Lakhs per annum shall get remission of 2/3rd of the tuition fees.

Office of the Dean Alumni & Corporate Relations manages the Named scholarship endowed by the alumni of the Institute and other wellwishers. These Scholarships are awarded based on the same Merit and Means criteria as discussed for the Merit cum Means Scholarship.

There are also other Governmental scholarships such as the NTSE Scholarship and private scholarships such as the Aditya Birla Scholarship.

>> INSTITUTE FORMALITIES

2.9. HOW TO BOOK GUEST HOUSE

IIT Bombay provides guest house facility for its students. To book a guest house room, Connect to IITB wifi or Vpn to access the GuestHouse Booking Portal. Go to <http://guesthouse.iitb.ac.in/reservation/index.html> and fill in your LDAP ID & password and select “Request for Accommodation/Venue”. Next, you will see a screen showing number of available rooms in the 3 guest houses (Jal Vihar, Padma Vihar & Van vihar). Then select ok to proceed. Fill in all the required Details and put your department HOD’s email in the approval email id. After submitting the form, you will receive a mail containing your request number. Then you need to mail your HOD with your request number for approval. After the approval, we would receive a confirmation email from the Guest House. Afterwards, you can call the guesthouse once to confirm your booking.

2.10. BTech TO DUAL DEGREE

When you are near to completion of 6 semesters in your degree, you have an opportunity to convert your 4-year Btech program to a 5-year Dual Degree Btech+Mtech Program. There is no strict policy for this change but departments insist to have above 7 CPI. The process generally Happens in 2 phases: at the end of the 6th semester and at the start of the 7th semester. Dgsec releases the form for conversion. Then, you would be required to upload a Statement Of Purpose, on why you want to do a Dual Degree Program, and a detailed course plan, for the next 4 semesters on how you plan to complete the credit requirement of the dual degree, on the AMS Portal. These would be verified by Facad(Facad needs to be tagged on the AMS portal), Then the group coordinator (which is allotted based on your chosen specialisation)(retag the coordinator after Facad approve). After this, Dgsec would take it up to the Dept and Acad Office for approval.

Institute Facilities

comfortable

INSTITUTE FACILITIES

3.1. HOW TO BOOK GUEST HOUSE

IIT Bombay provides guest house facility for its students. To book a guest house room, Connect to IITB wifi or Vpn to access the GuestHouse Booking Portal. Go to <http://guesthouse.iitb.ac.in/reservation/index.html> and fill in your LDAP ID & password and select "Request for Accommodation/Venue". Next, you will see a screen showing number of available rooms in the 3 guest houses (Jal Vihar, Padma Vihar & Van vihar). Then select ok to proceed. Fill in all the required Details and put your department HOD's email in the approval email id. After submitting the form, you will receive a mail containing your request number. Then you need to mail your HOD with your request number for approval. After the approval, we would receive a confirmation email from the Guest House. Afterwards, you can call the guesthouse once to confirm your booking.

3.2. B.TECH TO DUAL DEGREE

When you are near to completion of 6 semesters in your degree, you have an opportunity to convert your 4-year Btech program to a 5-year Dual Degree Btech+Mtech Program. There is no strict policy for this change but departments insist to have above 7 CPI. The process generally Happens in 2 phases: at the end of the 6th semester and at the start of the 7th semester. Dgsec releases the form for conversion. Then, you would be required to upload a Statement Of Purpose, on why you want to do a Dual Degree Program, and a detailed course plan, for the next 4 semesters on how you plan to complete the credit requirement of the dual degree, on the AMS Portal. These would be verified by Facad(Facad needs to be tagged on the AMS portal), Then the group coordinator (which is allotted based on your chosen specialisation)(retag the coordinator after Facad approve). After this, Dgsec would take it up to the Dept and Acad Office for approval.

CC Services

To make all your
connections sound

CC SERVICES

3.1. HOW TO SETUP PROXY

- Open the Google Chrome browser
- Go to settings by clicking on the icon at the topmost right corner
- Type "Proxy" in the search bar and click on "Open Proxy Settings"
- A modal popup shows up, and in that, click on "LAN Settings" under the "Connections" tab
- A popup for setting the proxy shows up. Unselect "Automatically detect settings" if selected and select "Use a proxy server for your LAN". Then click on Advance settings. Type the following in the respective popups.
 - Address: netmon.iitb.ac.in
 - Port: 80
 - Exceptions: localhost;*.iitb.ac.in;10.*.*.*
- Click on OK and reopen the browser
- Try connecting to google.com; A pop should pop up asking for LDAP Credentials.
- Enter the credentials and click on Sign-In.

3.2. HOW TO SSH INTO A SERVER THAT IS OUTSIDE THE CAMPUS NETWORK

- The facility is provided to connect to IIT servers (one per department) from outside IIT using ssh. This facility is implemented by server login.iitb.ac.in
- To access any dept. Server, one has to use the port allocated for that dept. For each server for ssh.
- e.g. To access the CSE dept server using ssh, the following command is used ssh -p 5022 login.iitb.ac.in
- DETAILS about various ports can be found on the Computer Center Website: <https://www.cc.iitb.ac.in>

CC SERVICES

3.3 SETTING UP LAN ON COMPUTERS

- Check if you have the wall jack. Please get in touch with the vendor (Hall Manager for hostels) if you don't have one.
- You must have a LAN card and network cable. You can purchase it from any vendor.
- Check for the IP address required for your system from the Computer centre or hostel website.
- Once IP has been set, log in to internet.iitb.ac.in and you will be able to access IITB internal sites.
- For browsing Non-IITB sites, the proxy has to be configured.

3.4. CHANGING THE PASSWORD

- Use need to login to the CAMP website: <https://camp.iitb.ac.in/cgi-bin/index.cgi>.
- Logging using LDAP
- There you would see the option to edit your Password
- Then you would have to enter your old password and the new one.

3.5. MERGING WEBMAIL INTO YOUR GMAIL

- Click on Gmail App:
- Click on Add Account:
- Click on "Other":
- Add your "Roll No":
- Select "Personal(IMAP)"
- Add your "LDAP Password"
- INCOMING Server Setting:
 - Server : imap.iitb.ac.in
 - Port : 587 (if required)

CC SERVICES

- Security type: STARTTLS (if required)
- OUTGOING Server Setting:
- Server : smtp-auth.iitb.ac.in
- Port : 587 (if required)
- Security type: STARTTLS (if required)
- Click on "NEXT" and Set Your Name:

3.6.DELETE/UNINSTALL AUTHENTICATOR SAFELY AND WHAT TO DO IF IT FAILS

- If you change your phone but keep the same phone number, you will need to do the following to activate the Google / Microsoft Authenticator app on the new phone:
- In case you have registered for an alternate 2FA method.
- Login at <https://sso.iitb.ac.in>
- Authenticate using the other 2FA option on the new phone.
- Go to Manage Account.
- Click on the Configure button under the Two Factor Authentication title.
- Click on the Deregister button to deregister your old phone.
- Then register your new device again.
- If the smartphone is the only option, kindly contact CC's helpdesk. We will help you out with the deregistration of your old device. Also, soon we will provide a dedicated interface on CC's website for this.

Student Wellness Centre

There are a few issues that almost everyone in the Institute faces initially. To help students refrain from losing focus and being unhappy, counsellors at SWC encourage any student to approach them for any problem that the student is facing (be it academic, emotional, social or financial) without hesitation.

In a 1-1 meeting with a counsellor, students are helped to explore and express feelings, examine beliefs and ways of thinking about their present situation, reflect on patterns of behavior, and work toward making healthier and happier changes.

Individual Counselling:

Appointments are available from 10.30 am to 5.30 pm Monday-Friday and students are usually seen for 45 minutes, depending on demand. Student can take appointment by sending a mail to: wellness@iitb.ac.in
Intake appointments are scheduled with students at times and dates which are convenient to them, depending on their academic commitments.

Your Dost

Taking the impact of such counselling sessions on the life of students IITB has joined hands with Your Dost an online counselling service that is available 24X 7 for students of IITB free of cost so that a student can reach out for help even at the most unsuitable hours. Link to the website -<https://www.iitb-bandhu.org/CounselingServices> (Access only through LDAP).

CDEEP aims to provide high quality education in engineering and science in distance mode to a large number of participants throughout the country and abroad. Live courses are transmitted through the internet, using at present a web interactive platform where both sides could see and listen to the other. Students may login through their LDAP IDs and access all the available lectures - the ones being recorded presently and the ones that have been recorded previously in the archived semester section.

In case you want a lecture to be recorded, don't forget to keep an eye out for any forms that are floated at the beginning of some of your semesters. Based on the number of responses CDEEP gets, you can find them recording your very own lectures in the LHC !

NPTEL

NPTEL is an online website designed to deliver Massive Online Open Courses (aka MOOC's) from the field of engineering and physical sciences at an undergraduate and postgraduate level to students for free. You can access courses from various institutes in the country, for example any IIT/NIT's etc. They also provide online certification. All courses are completely free to enrol and learn from (unlike coursera :p). The certification exam is optional and comes at a fee of Rs 1000 per course exam. They are designed as per the curriculum of Indian institutes and can be especially beneficial to all the students of our institute.

These courses also have proctored online examinations considered for evaluation though based on the same syllabus of IITB courses they are fairly simple than exams conducted in IITB . Moreover, these can also be tagged in place of core courses after approval of the HOD of the department.

*How you
can reach
out to the
Academic
Council*

REACHING THE COUNCIL

The UGAC, IIT Bombay, or the Undergraduate Academic Council of IIT Bombay, is a student body dedicated to improving the academic system and culture of the institute by working on various policies and conducting sessions to disseminate information. It has the following seven primary pillars on which it functions :

Student Support Services: SSS mainly takes care of the basic requirements of the students like tutorials, registration, personality development, language and communication skills, faculty-student relations, learning issues, and so on.

Career Cell: The Career Cell aims at equipping the students with all the required information and insights into every single career opportunity coming its way and provides an impartial, fair account of every possible detail about various careers and job profiles

EnPoWER: Engineering-oriented Promotion of Work Experience and Research, EnPoWER aims to promote research among the undergraduate students of IIT Bombay and encourages them to use their skills to tackle problems faced by the industry.

Finance Club: The Finance Club conducts many sessions and competitions on various finance-related topics.

Consult Club: The Consult Club conducts sessions and workshops to help students gain an understanding of consulting and its nuances.

Analytics Club: The Analytics Club organizes sessions of various kinds that teach students various skills and software related to analytics and their applications.

International Relations: International Relations coordinates international activities of IIT Bombay, including semester exchange, scholarships, and international programs.

REACHING THE COUNCIL

The Academic Council strives to help the students and is always available in any kind of problem. Feel free to contact us anytime. You can reach the Council through :

UGAC website - All the information regarding the Academic Council is available on its website.

Social Media - One can ask any query and clear any doubt/confusion they have, even anonymously or through direct messages.

The social media handles of Student Support Services are:

- Facebook: <https://www.facebook.com/sss.iitb/> AND StudentSupport@IITB Facebook group
- Instagram:
https://www.instagram.com/studentsupportservices_iitb/

Email ID - For any of your problems and doubts you can e-mail to gsecaaug@iitb.ac.in or isaa.sss.iitb@gmail.com or sssl.iitb@gmail.com
